Quality of Content

Where are we?

Active Learning and Child Friendly School Quality Standards

The results of the curriculum validation.

Quality of teaching

- **National standards for teaching;**
- **Certification and differentiation;**
- **Key performance indicators – teaching hours, length of the academic year, share of certified teachers;**

Quality of the management

- **Higher autonomy and with increased accountability (share of schools);**
- **Community participation;**
- **Principals – from teacher-principals, to education managers;**

How much does **QUALITY** cost?

- **Per capita financing model;**
- **Education Development Fund;**
- **Social protection policies;**

Thank You for Attention!
